# ***Kevock Garden bulb catalogue 2011-2012***

**Welcome** to our new catalogue, with lots of new varieties as well as old favourites.

**Prices** are much the same as last year, with some cheaper and a few increased. We are able to get the most favourable 'large quantity' rates from Dutch suppliers, and in most cases our prices are the best you will find. But quality is not compromised.

**Even more bulbs** - in addition to those listed in this catalogue, we offer a huge range of bulbs, which we can get especially for you. They are listed in our supplementary catalogue, which is available only on our web site, [www.kevockgarden.co.uk](http://www.kevockgarden.co.uk). In this the pack sizes are a bit bigger (typically costing around £10 instead of £5), but the value is just as good, and you can include these extra bulbs in the same order as those in this catalogue.

## **How to place an order**

- Order as soon as possible, but at the latest by July 31st.
- In our catalogue prices are given for a pack of bulbs (1, 3, 5, 10, 25, 50 or 100, as shown). The numbers have been chosen so that most prices are between £3 and £7. These prices INCLUDE the postage and packing (for mainland UK; elsewhere please enquire about any additional charge).
- Simply list the number of PACKS of each item (NOT the total number of bulbs) that you require on the order forms, using the codes given in the catalogue. Then provide information about delivery and payment, and let us have the order form.
- There is a minimum of £30 for each order. We expect to send the bulbs out in late September or early October. Please be aware that some Autumn-flowering bulbs can flower before they are sent out. This doesn't affect their viability. Just plant them as usual and enjoy them in future years!

Send your orders to **Kevock Garden, 16 Kevock Road, Lasswade, Midlothian, EH18 1HT, UK**

OR order by email to [bulbs@kevockgarden.co.uk](mailto:bulbs@kevockgarden.co.uk) – see our web site [www.kevockgarden.co.uk](http://www.kevockgarden.co.uk)

## **Payment**

**Either** Enclose a cheque made out to Kevock Garden. Date it (them) August 1<sup>st</sup>, as we will not cash them until the bulbs are ready to send. Do not fill in the exact sum, in case some items are not available. Instead write 'Not to exceed £xxx' (where £xxx is the maximum value of your order) at the top of the cheque.

**Or** Provide credit card (Visa or MasterCard) or Switch details (but please check that the card remains valid to the end of October). We will make the charge to your card just before sending the bulbs out.

## **Terms and conditions**

- All sales are subject to availability.
- Please examine bulbs when you receive them, and let us know of any problems in writing within 7 days. We will try to ensure that you are satisfied.
