

Extra bulb catalogue 2010-2011

Even more bulbs In addition to those listed in this catalogue, we offer a huge range of bulbs, which we can get especially for you. They are listed in this supplementary catalogue, which is available only on our web site, www.kevockgarden.co.uk. In this the pack sizes are a bit bigger (typically costing around £10 instead of £5), but the value is just as good, and you can include these extra bulbs in the same order as those in the main catalogue.

How to place an order

- Order in exactly the same way as for bulbs in the main catalogue. There is an order form in the printed catalogue, or you can find it in the bulb section of our web site.
- You can combine bulbs from main and extra catalogues in the same order; but SEPARATE orders are required for Autumn bulbs (which we expect to send out in August/September) and Spring bulbs (expected to be sent in mid to late September).
- The listed prices INCLUDE the postage and packing (for mainland UK; elsewhere please enquire about any additional charge).
- Simply list the number of PACKS of each item (NOT the total number of bulbs) that you require on the order forms, using the codes given in the catalogue. Then provide information about delivery and payment, and let us have the order form.
- Order as soon as possible, but at the latest by July 31st.
- There is a minimum of £30 for each order.

Send your orders to **Kevock Garden, 16 Kevock Road, Lasswade, Midlothian, EH18 1HT, UK**

OR order by email to info@kevockgarden.co.uk – see our web site www.kevockgarden.co.uk

Payment

Either Enclose a cheque (two if you order both Spring and Autumn bulbs) made out to Kevock Garden. Date it (them) August 1st, as we will not cash them until the bulbs are ready to send. Do not fill in the exact sum, in case some items are not available. Instead write 'Not to exceed £xxx' (where £xxx is the maximum value of your order) at the top of the cheque.

Or Provide credit card (Visa or MasterCard) or Switch details. We will make the charge to your card just before sending the bulbs out.

Terms and conditions

- All sales are subject to availability.
- Please examine bulbs when you receive them, and let us know of any problems in writing within 7 days. We will try to ensure that you are satisfied.
