

Bulbs and plants for planting in spring 2012

- **Quality bulbs and plants at competitive prices**
Bulbs are all the largest sizes we can obtain
- **Delivered to you fresh**
not stored in warm, dry shops
- **Buy bulbs and plants, not fancy printed packaging!**
Sold in numbers that minimise packing and admin. costs
- **Catalogue on-line at www.kevoekgarden.co.uk**

Welcome to our catalogue of bulbs and plants for spring planting, for the first time with a full list.

Prices should be very competitive. We get the most favourable 'large quantity' rates from Dutch suppliers, and that brings the price for you about as low as it is possible to get. Please note that, apart from Cyclamen and Cardiocrinum giganteum, plants are dormant rootstocks, not in pots.

How to place an order

- Orders **MUST** be received by February 13th.
- In the catalogue prices are given for a pack of 1, 3, 5, 10, 25, 50 or 100 bulbs or plants, as shown. The numbers have been chosen so that most prices are between £5 and £9. These prices **INCLUDE** the postage and packing (for mainland UK; elsewhere please enquire about any additional charge).
- Simply list the number of **PACKS** of each item (NOT the total number of bulbs or plants) that you require on the order form, using the codes given in the catalogue. Then provide information about delivery and payment, and let us have the order form, which can be downloaded from the web site.
- There is a minimum charge of £30 for each order.
- Send your orders to **Kevoek Garden, 16 Kevoek Road, Lasswade, Midlothian, EH18 1HT, UK**
OR order by email to **bulbs@kevoekgarden.co.uk** – see our web site **www.kevoekgarden.co.uk**

Payment

- Either** **by post.** Enclose a cheque made out to Kevoek Garden. Do not fill in the exact sum, in case some items are not available. Instead write 'Not to exceed £xxx' (where £xxx is the maximum value of your order) at the top of the cheque.
- Or** **by phone or fax (both 0131 454 0660).** Provide credit card (Visa or MasterCard) or Switch details. We will make the charge to your card just before sending the bulbs out.

Terms and conditions

- All sales are subject to availability.
- Please examine bulbs when you receive them, and let us know of any problems in writing within 7 days. We will try to ensure that you are satisfied.
